. . Plot summary Krrish 3 revolves around a scientist, "Hanuman", who is assigned the task of trying to save one of his friends by erasing his brain through a computer. It goes on to show his efforts to do so and his attempts to stop the scientist from doing so. The scientists are beaten by the Pranavas (Indian Mujahideen) and the virus they spread causes more destruction. As a result, the scientist is driven to enhance his abilities.
